

Document shredder DAHLE VolumePRO

20394

This shredder offers an X-treme cross-cut 0,8 x 4,7 mm for your desk. Choose model 20334 if top-secret documents from military or government are to be destroyed.

The cabinet is made from solid wood, the top cover from virtually unbreakable plastic material. With comfortable electronics in combination with an automatic reverse function. The motor cuts out automatically when the front door is opened and the waste box is full. This model is easy to move around thanks to four fitted castors. Cutters are made of special steel and cope with paper clips and staples. The shredder is supplied complete with 5 spare waste bags no. 20751 and a single tier feed rack no. 20718.

- 5-year warranty on solid-steel cutters
- 2 years function warranty if used in accordance with manufacturer's instructions.
